The Heritage cut application method helps to add speed and reduce waste—only two cuts are required to start five courses, and pieces that are 8 inches wide or longer can be worked back into the field. See Heritage application instructions for further details.

† Up to 130 mph when installed using High Wind Application.
* Provides for cleaning of discoloration caused by certain algae growth.

LIMITED WARRANTIES— IT PAYS TO COMPARE

Shingles begin to age as soon as they are exposed to nature. Buildings experience aging factors differently, so it is difficult to predict how long shingles will last. That's why TAMKO provides a Limited Warranty.

When comparing shingle warranties, it's not the length of the limited warranty that matters most. It's the length of the full start period.

Heritage shingles' Limited Warranty offers a 15-year Full Start Period—the critical period of time in which shingles and the labor to install them are covered at 100 percent (labor does not include tear-off, removal or disposal). Heritage Premium shingles' Limited Warranty offers a 20-year Full Start Period. Go to tamko.com for details or call us at 1-800-641-4691.

HERITAGE Shingles

- 30-year Limited Warranty
- 15-year Full Start Period
- 15-year Limited Warranty Coverage for Winds up to 110 mph†
- 10-year Algae Relief—Algae Cleaning Limited Warranty*
