COMPASS[™]

Vinyl Siding

EXPLORE YOUR STYLE. DISCOVER YOUR COLOR.

We've handpicked the most beautiful hues straight from nature and recreated them in a high tech low-maintenance product that is engineered for the long haul. With 24 colors, from crisp lights, comfy neutrals, dynamic hues and worry-free woodgrains you're sure to find the color that completes your style.

- 5/8" panel projection for a more realistic shadow line
- Grip Tight[™] locking system, coupled with a sturdy .044" panel thickness and double thickness nail hem delivers a 222 mph wind load*
- Double thickness bottom lock provides greater strength and reinforcement at a critical point in the locking system
- Luran[®]S ASA** resin used to protect select dark colors adds extra UV protection
- Color-through technology minimizes the appearance of scratches
- Limited Lifetime Transferable Warranty***

* Tested in accordance with ASTM D5206. Windspeed rating will vary depending on specific code region and construction method. Refer to local building codes for detailed requirements concerning allowable wind loads and specified conversion tables for actual windspeed.
